

FARM WALK TOUR VINHA VELHA

Do you want to know more about regenerative forestry, organic farming, ecotourism and community living?

While visiting various places on the land, we guide you through time: from the 1980's when the farm was founded, through the present situation, into the future by explaining the vision of collaborating with and restoring nature.

ON REQUEST: please get in touch with Mattie to check availability: matthijswansink@gmail.com / +31 6 34546373

CONTRIBUTION: €10 per person

Extra contributions are very welcome: this money goes to our

Restore Nature project.
